**Bantam –Midget
Tournament
December 27 – 30, 2015**

As one of the longest running tournaments in North America it has not only been a stepping stone for future professional hockey players but for community and youth leaders as well. This International Tournament has attracted teams from throughout Ontario, Michigan, Ohio, Illinois and overseas including Great Britain, Czech Republic, Austria, Sweden, Slovakia and Russia. There will be 1,200 programs published for this five day event.

We would like to take this opportunity to invite you to be a sponsor for this tournament. Following is an outline of the various sponsorship opportunities available for you to consider. The success of this event will largely be dependent on support such as yours. We are hoping that you will be part of the Riverside Rangers Bantam-Midget Tournament in 2015. It would be a great honour to have your company associated with the young men representative of this great sport.

If you have any questions whatsoever, please do not hesitate to contact us. Thank you for considering this request and thank you for supporting our youth!

Sincerely,

A handwritten signature in cursive script that reads "Anne Marie Schofield".
