2. The Tournament will consist of U9, U11, U13, and U15 divisions.
3. Divisional play will be made up of the following:

Quarter-finals will be 2nd vs 3rd seed from the opposing pool with winner advancing to semi-final against 1st place team. Winner of semi-final will move on to the final.
 - b. U11 will consist of 12 teams in 2 pools playing a 3-game round-robin for seeding. After which, the top 3 teams from each pool will move on. The top team in each pool will get a bye. Quarter-finals will be 3rd vs 6th and 4th vs 5th seeds with winner advancing to semi-final against 1st and 2nd place teams. Winner of semi-final will move on to the final.
 - d. U15 will consist of 16 teams in 2 pools playing a 3-game round-robin for seeding. After which, the top 3 teams from each pool will move on. The top team in each pool will get a bye. Quarter-finals will be 2nd vs 3rd seed from the opposing pool with winner advancing to semi-final against 1st place team. Winner of semi-final will move on to the final.
 - e. In all quarter-finals and semi-finals, the higher seeded teams will be the home teams.
4. The winners of the Semi-Final games (where applicable) will advance to their respective Championship Game and the losers of the semi-final games will be eliminated. The home team for the **Championship Game** will be the team that finished with the highest point total during the Round Robin portion of the tournament. If the competing teams had the same point total, the tie breaking formula will be used to determine the home team (see below).
5. The following point system for the Round Robin portion of the tournament will be as follows: a **win in regulation time** earns two (2) points, a tie earns one (1) point, and a loss earns zero (0) points.
6. All games in all divisions will consist of three, ten-minute stop-time periods.
7. All teams must be prepared to start their games fifteen minutes ahead of the scheduled start time.
8. One, thirty second time-out per team, per game, is allowed in **Semi-Final and Championship Games only**.
9. **Mercy Rule: A mercy rule will be in effect for all games. In accordance with the OMHA Manual of Operations**, if the difference in score becomes FIVE GOALS OR MORE at any time in the third period, the game clock will revert to a continuously running clock. The clock will not become a stop-time clock again until the trailing team brings the difference in score BACK TO WITHIN THREE GOALS OR LESS and it will not become a running clock again after that until the difference is again five goals or more. During a running clock, Minor Penalties will be three minutes (3:00) in length, Major Penalties will be seven-and-a-half minutes (7:30) in length and Misconduct Penalties will be fifteen minutes (15:00) in length. The only time the clock would stop during running time is for an on-ice injury and it would re-start immediately upon the injured player and training staff vacating the ice.
10. In the event a team forfeits a game, it shall be recorded as a 1-0 loss in the standings.
11. For all divisions, ties in **the Round Robin standings (or to determine the home team in a Championship Game, if necessary)** will be broken using the formula below, IN SEQUENCE, FROM THE BEGINNING and EACH TIME, until all ties have been broken. In the event more than two teams are tied, once the highest place in the standings is determined, the remaining tied teams will start the tiebreaker again, in sequence, from the beginning. This will occur each time until all ties have been broken:
 - a. Head-to-head between all tied teams (*all the tied teams MUST have played each other during the Round Robin to use this each step of the tiebreaker process. If one or more did not, proceed directly to (b)*)
 - b. Most Wins
 - c. Least Goals Against
 - d. Points per period (one point for period won, ½ point for period tied)
 - e. Least penalty minutes (for the purposes of this rule, Game Misconduct and Gross Misconduct penalties count as ten minutes penalty time and Match penalties count as five minutes penalty time. Penalties called against Team Officials count for the purposes of this rule)
 - f. Coin Flip

12. If at the end of regulation time in a **Quarter-Final, Semi-Final or Championship Game** the score is tied, overtime will take place as follows:
 - a. The teams will not change ends and there will be no flood.
 - b. The teams will play one, three-minute, stop-time, sudden death overtime period with a goalie and **THREE** skaters. If the score is still tied after the overtime period, a **three-player shootout** will take place with the team scoring the most goals during the shootout being declared the winner. If the score is still tied at the end of the three-player shootout, a sudden death shootout will take place until a winner is declared. See shootout rules below.
13. All players must use and properly wear the required protective equipment as prescribed by their own governing body's rules and regulations.
14. Ontario Minor Hockey Association (OMHA) minimum suspensions apply to all tournament games. Automatic suspension lists are available online in the OMHA Manual of Operations or from the Tournament Chair. A player or team official who incurs a Match Penalty during the tournament shall be suspended for the balance of the tournament. ALL suspension reports are reported back to each region/district upon completion of the tournament.
15. **Shootout rules** shall be as follows:
 - a. Three players (quarter-final (where applicable), semi-final (where applicable) or Championship Game) from each team shall participate in the shootout and they shall proceed in such order as the head coach selects. Players serving **THEIR OWN** penalty at the end of playing time (regulation time in a round robin game and overtime in a quarter-final (where applicable), semi-final (where applicable) or Championship Game) **ARE NOT** eligible to participate in the shootout. Players serving penalties **on behalf of other players or team officials ARE** eligible to participate.
 - b. The teams will not change ends. The visiting team shall shoot first. Teams shall take alternating shots, one at a time.
 - c. Once the shootout begins, the goalkeeper cannot be replaced in the shootout unless he/she is injured. No warm-up shall be permitted for a substitute goalkeeper.
 - d. Each team will be given three shots unless the outcome is determined earlier in the shootout. After each team has taken three shots, if the score remains tied, the shootout will proceed to a sudden death format. Players may **not** participate again during a shootout until all eligible players have participated, which includes the players from the original shootout. If, however, one team has fewer players eligible for the shootout than its opponent, both teams may select from among the players who have already shot. This procedure would continue until the team with fewer players has again used all eligible shooters.
 - e. Shootouts shall be governed by the Hockey Canada rules regarding the taking of Penalty Shots.
 - f. The Head Coach or Team Official in charge shall select their shooters as the shootout progresses. The Official Scorer shall keep track of shooters.
16. The Tournament Rules Committee reserves the right to make any and all decisions in the interpretation of Tournament rules, objections and protests. All decisions by the Tournament Rules Committee will be final.
17. The Riverside Minor Hockey Association, its sponsors or the Tournament Committee will not be held liable for any injuries, damages or thefts that take place before, during or after the Tournament.
18. All participants in Championship Games will receive medallions. As well, each of these teams will receive a take home team trophy.
