Discussion about late start to winter session and extending beyond normal season end. Original plan was a January 2 with 10-11 week session. Agreed that it could be pushed to end of March if start was later. Eg. February 1 to March 30. Discussion about what our latest start date would be with February 1 as the proposal. Motion by AMS that if we are unable to produce a viable season by February 1 we will shut down for the rest of the 2020-21 season. Second by S. Ducharme. Carried. Have to look at credit vs. refund for those who are registered.

Acknowledgment of the passing of long-time coach Gerry Thorpe recently.

Received many e-mails from parents and members congratulating the association on putting on a good fall season in the midst of a pandemic.
