Regrets: None

Meeting called to order at 7:00 pm by AM Schofield

1. Approval of Agenda

Motion to approve agenda by D. Rivard/AM Schofield
Carried

2. Financial Report (L. Breault)

Currently in the black, however, November ice bill has not come in and that will wipe it out. Currently around break even but only on paper. Discussion on specific items. A large amount is a credit to member's accounts for the winter season as we are done for the season due to lockdown.

3. Approval of Minutes (December 21, 2020)

Motion to approve minutes by Sean Knowles/W. Marangelli. Carried.

4. Executive Report

M. McLean

No report.

7. Registration

AM Schofield

Some people paid in full initially and now have a credit on their account because we are finished for the season due to lockdown.

10. Ice/Facility Schedule Report

B. Sobocan

No plans to put in ice.

18. Old Business

Last week here was an OHF conference call with senior members/partners. Hockey Canada has graciously decided that if a centre cannot fulfill a February 1 to March 31 season they are okay with an April 1 to May 31 season. No one was receptive to it because other sports will be starting and ice most likely will not be available. Discussion on this topic. Planning for next season usually starts around then anyways so that could be another problem. There are no spring tryouts. Tryouts will be in the fall but the definition of "fall" is still being determined. Could be August or September. Tryouts will be tight...about 7 days for each of AAA, AA, etc. with the goal of getting players on the ice by October 1. Assumption is that we will have normal hockey next season.

Discussion as to whether anyone objects to shutting down on February 1. No objections. No one wants to compete with other sports and with other spring/summer hockey leagues.

19. New Business

There is a new version of HCR coming out. There was an orientation session today. The new registration system is slotted to go live in June but the OHF might get it a bit sooner because we are the pilot. It is highly recommended that no registration be held off until the new system is operational.

20. Adjournment

MOTION to adjourn at 7:40 pm by N. D'Hondt/O. Bravo. Carried.

Next meeting is February 15, 2021.
