

The 2021-22 Season at a Glance

RMHA continues to be one of only a few associations that provides meaningful hockey through to the **end of March**. Starting right after Labor Day this means our season runs almost 30 weeks and includes tournaments for both our Travel and Houseleague teams. Mandatory shut down during the Christmas break and March break won't hold us back as we'll still offer informal programming during those times based on available ice and player interest.
