

U9: Brendan Parent

Brendan is a Riverside alum class of '89 having played Novice through Midget Major in our Rep program. After a stint in Jr C, Brendan returned to the coaching ranks to "give back" and was recently coaching in the U7 and U9 Houseleague program paving the way for those players to the 2022-23 season with our upcoming U9 'A' team. Brendan's talents and skills will make him an ideal coach for these young Rangers as he guides them on their path to Ranger greatness!

U10: Greg Trojand

Greg will continue with the '13 age group this year moving forward with the development he started at the U9 level. Greg's coaching experiences are enough to fill a book ranging from all levels of hockey including AAA, Jr C, and Jr B. His elite coaching style and history is well documented. RMHA is fortunate to have him with us and these players are fortunate to have a coach of his caliber leading their development.

U11: Richard Byerley

Richards career with RMHA started almost 15yrs ago when he joined his older son's staff to help out with the '00 team. A former player himself from Northern Ontario, Richard brings his love of the game with him every time he steps on the ice. His willingness to adapt, his constant thirst to learn, and his commitment to Riverside and his players make him a great fit for this group.

U12: Taylor Shephard

Taylor comes to RMHA after travelling down a very illustrious hockey path including attendance at Culver Academy. Despite many NCAA offers, she stayed closer to home and played with the UWindsor Lancers. Taylor has been an on-ice official for many years and simultaneously coached at the Rep level in Belle River. Taylor's confidence, which comes from many years of hockey, is an asset for the U12 team. We're thrilled to have her on board and even more excited that these players will learn from her many experiences.

U13: Zach Bedard

Zach is an RMHA graduate class of '95 leading an exemplary group of players before moving on to AAA and then the Jr ranks in his playing career. Zach continued his hockey role in Jr by serving as a volunteer coach in a player liaison position. His passion for coaching grew after serving as an on-ice helper with the U13's last season. Zach's leadership role behind the bench was honed as a player throughout his career by wearing a letter on his jersey each year he played. Zach is a past Mickey Renaud Award winner from 2011, being recognized for his dedication and passion for the game. The U13 team is fortunate to have this coach behind their bench and to learn from his on-ice and off-ice experiences.

U14: Dylan Denomme

Dylan returns to the '09 team after leading them to the OMHA Championship finals last season. He's a RMHA graduate class of '93 who saw much success as 3-time OMHA finalist before moving on to AAA for his last 3 years of minor hockey eligibility. Upon moving on to Jr B, Dylan saw more success being named as the all-time leading scorer. During his university career he was named OUA Rookie of the Year as a freshmen. Dylan played pro hockey in the ECHL, the SPHL and also a year in France. He returned to the coaching ranks shortly after. RMHA and his team are fortunate to have him lead them toward more success and further development of their skills.

U15: Jeremy Campbell

Jeremy has been involved with RMHA at the Houseleague and Travel level for many years. In addition to his RMHA coaching duties, Jeremy has coached in the OWHA ranks. His playing career was in the Chatham-Kent organization. We look forward to having Jeremy behind the bench as a Head Coach again this year.

U16: Sean Ducharme

Sean is another Riverside alum class of '90 who graduated from our program into Jr C where he played for the Essex 73's. Currently working as a teacher in the WECDSB, Sean has been coaching for RMHA since the 2013 season with three different teams while also being part of the 519Hockey Skill Development program. Sean returns to coach the '07 group where he will continue to build on their success from the previous season.

U18: Ryan Tallon

Ryan joined the RMHA coaching ranks in the 2019-20 season after coaching for many years in AAA organizations. Ryan's decision to move back to 'A' hockey was born out of a desire to get back to grass roots teaching and skill development. His work with the current U18 team resulted in their trip to the OMHA Championship finals game. RMHA is thrilled to have Ryan back with us and his players are looking forward to continuing to build on their past successes!

U21: Todd Rivait

Todd is an RMHA coaching legend having coached more of our teams than any other coach. His successes include Christmas Tournament Championship, many OMHA finals appearances with his teams and most recently coached the 2021-22 U21 team to the OMHA finals this past April. His passion for the game and for his players are legendary! We are honored to have Todd back with this group.
